

Help End Homelessness

VOLUNTEER

2019 YOUTH COUNT

AN ANNUAL COUNT OF HOMELESS AND UNSTABLY HOUSED YOUTH IN CONNECTICUT.

JANUARY 23-29, 2019

Volunteers are needed to help administer youth count surveys throughout CT communities. This data is critical in understanding homelessness in our state so that we have a data-informed response and resources to end homelessness.

Volunteers are trained with a team and hit the streets together led by a member of Connecticut's homeless service-provider community.
